La doctora Joselín Pichardo da primer picado para la construcción de aceras y contenés de la comunidad de la Zanja, con la colaboración de la liga municipal Dominicana

The image shows a video player interface with a grid of six video thumbnails. The thumbnails depict a group of people, including a woman in a white shirt (Dr. Joselín Pichardo) and several men, participating in a groundbreaking ceremony. They are holding shovels and standing on a dirt path. The video player includes a progress bar at the bottom left showing 0:11 / 0:41, a settings gear icon, and a volume icon. At the bottom of the post, it says 'Edwin Hernandez, Kelvin Valerio and 11 others' and '1 comment'. There is also a '+14' icon indicating more photos in the video.
